

Mini-Hearts Preschool is located at St. Francis of Assisi Catholic School.

Highly educated and experienced staff are dedicated to the intellectual and social growth and development of children.

Our goal is to provide pre-school aged children with opportunities to learn while promoting positive self-awareness in a safe, loving and nurturing environment.

We work with the parents to meet the needs of each child to enhance their learning and social skills, and to ensure that their first experience with education is enjoyable.

Our student ratio will not exceed 1:10.

Serving Our Children

Since 1912

St. Francis of Assisi School

A Place Where Minds and Hearts Grow

"My wife and I are very pleased with our decision to send our son to preschool at St. Francis. He's excited to attend each day and we look forward to enrolling him in kindergarten and eventually, through the 8th grade.

Having had the chance to be involved in activities at the school, we have been impressed with the teacher and faculty commitment to the children's education, programs offered, and the participation by parents and alumni with the school.

I would encourage parents to consider St. Francis for their child's education. Not only has it been refreshing to know my son is in a safe environment and in the care of nurturing staff, I know he's getting a first-class education and building a social and moral foundation that he will carry with him through life."
